Dear Friends,

Maria W. & Mary S. Chapman.

Permit
me to introduce to yam notice my friend Elisa P. Southwick,
of Leicester & an Abolitionist. Her object in going to Boston at
this time is to attend the "Fair". She would like to make herself
useful there, if her services are required; in which case she will
stay through the week. We have put in her charge an offering
to the Fair, which seems like a small one indeed after reading in
the last Liberator of the variously beautiful & expensive
articles, from so many different parts of the world, with which
yam are favor'd for the occasion—

May yam succeed in ace
yam undertakings in this good Cause, is the prayer of
yam friend

S. H. Earle—
